QUALITY POLICY

The objective of Skydock and its subsidiary, Bunka-It is to provide secure office space, specialist storage areas, facilities and testing or disposal services for energetic and ballistic materials. The site is a registered Top Tier COMAH site.

To achieve this objective, the organisation will maintain an effective and efficient Quality Management System based upon the requirements of **ISO 9001:2015**.

In particular, the organisation will:

- Set measurable objectives that will help achieve customer requirements, including:
- Deliver a standard of storage, testing and disposal services that takes fully into account its clients' requirements.
- Monitor and measure the effectiveness of its business processes and objectives through management reviews and the internal audit process;
- Proactively seek feedback from customers on how well its services meet their requirements and set objectives for continual improvement;
- Analyse the causes of any complaint or problem, and take appropriate action to prevent recurrence;
- Select and work closely with suppliers and subcontractors who enable the organisation to create and deliver a reliable performance;
- Recruit employees who are customer-focused and support them with appropriate training and systems to ensure their competence always meets the organisation's requirements;
- Provide a work environment that promotes the wellbeing of its employees and encourages positive teamwork;
- Encourage all employees to identify problems and make suggestions to improve all aspects of the organisation's services and business processes;
- Ensure that all employees are aware of the Quality Policy and are committed to the effective implementation of the Quality Management System;
- Ensure that the organisation complies with all necessary regulatory and legal requirements.

The continual improvement of the organisation's Quality Management System is fundamental to the success of its business, and must be supported by all employees as an integral part of their daily work.
